CLOSING DOCKETS

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of an amended Application filed April 15, 1992 by Lakewood Utilities, Inc. (the Company or Lakewood) seeking approval of an increase in rates and charges for sewer service provided to its customers in its service area. The Application was filed pursuant to S.C. Code Ann., §58-5-240 (1976), as amended, and R.103-821 of the Commission's Rules of Practice and Procedure.

The matter was duly noticed to the public and Steven W. Hamm, Consumer Advocate for the State of South Carolina (the Consumer Advocate) filed a Petition to Intervene. The matter was scheduled for hearing to commence in the Commission's Hearing Room at 10:30 a.m. on Thursday, September 3, 1992.

On August 31, 1992, the Commission received a letter from counsel for the Company requesting that the Application be withdrawn. The Commission has considered the request of the

Company and finds that the requested application for an increase in sewer rates should be withdrawn and the instant Docket closed. The Commission has also reviewed its files and has found another Docket, Docket No. 90-289-S which sought an increase in sewer tap fees. The Company never took any action or filed an application in Docket No. 90-289-S. Therefore, the Commission has determined that Docket No. 90-289-S should be and hereby is closed.

IT IS SO ORDERED.
